

Central PA ISSA Chapter Sponsorship

The Central PA ISSA chapter is proud to partner with regional and global sponsors to ensure security awareness.

Our accomplishments and impact as an organization are greatly improved with the support of valued sponsors such as you. It is our goal to build on-going relationships with sponsors who provide products and services that are beneficial to members of the Information Technology industry. Your company logo can be in the hands of those regional professionals and decision makers attending ISSA monthly chapter events or viewing pictures and training videos on our web site. You may desire to participate in our annual InfoSec conference where your services can be presented and your company's information will be in the hands of those who attend. We will proudly display your company logo on our websites, with a links to your own websites if desired. All levels of participation can be customized, your suggestions are welcome.

We are appreciative that you are considering sponsoring our chapter. **If you are interested in sponsoring our chapter, please complete this Chapter Sponsorship Application and return it, and all additionally required information, to:**
